A Monthly Newsletter

AUGUST 2026

www.vivitsaworldschool.org

Principal's Desk

Dear Students, Parents, and Staff,

August was a month of celebration, leadership, creativity, and patriotism at Vivitsa World School. Our students experienced important values such as democracy, responsibility, teamwork, and respect for our cultural heritage.

The **Students' Council Election** gave them a meaningful experience of democracy in action,. helping them understand voting, informed choices, leadership, and the responsibilities of representation.

At the **Investiture Ceremony,** our newly elected leaders took their oath to serve with sincerity and dedication, learning that leadership is about responsibility, setting an example, and supporting others.

Independence Day filled the school with patriotism and pride. Through performances, speeches, and activities, students reflected on the sacrifices of our freedom fighters and their responsibilities as citizens.

Raksha Bandhan offered a beautiful opportunity to celebrate love, care, respect, and togetherness while appreciating our cultural traditions.

The month concluded with three vibrant days of **Vivitsa Got Talent,** where students showcased their talents in music, dance, public speaking, and performing arts, celebrating each child's uniqueness and creativity.

I am proud of our students' enthusiasm, our teachers' dedication, and our parents' continued support. At Vivitsa, every experience is an opportunity to learn beyond the classroom and nurture confident, compassionate, and responsible individuals.

Let us continue to learn, lead, create, and grow together.

Warm regards,

Mr. Mhondamo Lotha

Principal

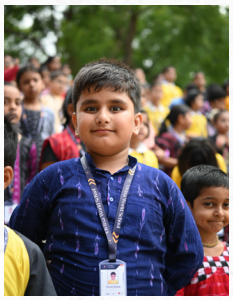

Vivitsa World School

WHAT DID WE BREW THIS MONTH

SAMBALPURI DAY (1 August)

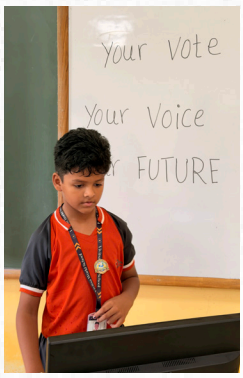

CELEBRATING THE ROOTS OF SAMBALPUR

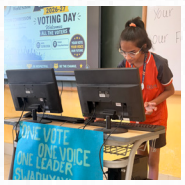

Students celebrated the vibrant heritage of Sambalpur through folk dances, songs, presentations, traditional delicacies and an exhibition of art and handloom. Grades 5–8 took their learning beyond school, visiting a village to observe traditional bamboo craftsmanship first-hand.

STUDENT COUNCIL ELECTION (2026)

DEMOCRACY TAKES CENTRE STAGE

From nominations and written tests to interviews and voting, students experienced the democratic process at every step. The election gave them a meaningful understanding of leadership, representation, responsibility and the power of making informed choices.

ELECTION WEEK RESULTS (7 - 14 August)

MEET THE NEW STUDENT LEADERS

The new Student Council was elected after a multi-stage selection process. Nitya Sharma and Swaraj Mahapatra were elected School President and Vice President, alongside House Captains, Vice Captains and Cabinet Ministers. We wish the entire council a meaningful and successful tenure.

MATHS EXPO (8 August)

WHEN MATHS MET IMAGINATION

Under the theme "Mathematics: The Language of the Universe," students brought numbers to life through the Maths Museum, Fun Zone and Smart Builders. From the history of mathematics to games, puzzles and working models, the expo showed that maths can be both practical and playful.

POSTER MAKING COMPETITION (14 August)

DREAMING UP A BETTER INDIA

Through the theme "My Dream India," students turned their ideas for the country into colourful works of art. Their posters imagined an India that is cleaner, greener, peaceful, progressive and full of opportunities.

INDEPENDENCE DAY (15 August)

A CELEBRATION OF THE SPIRIT OF INDIA

The school came alive with soulful songs, energetic dances and vibrant cultural performances. The confidence, enthusiasm and patriotic spirit of our students made the celebration a memorable tribute to the spirit of India.

INVESTITURE CEREMONY (15 August)

THE BADGES OF RESPONSIBILITY

Our newly elected Student Council officially took charge as they received their badges and sashes. A proud March Past added to the occasion as our young leaders began their journey of leadership, responsibility and service.

RAKSHA BANDHAN (27 August)

RAKHIS FOR EVERYDAY HEROES

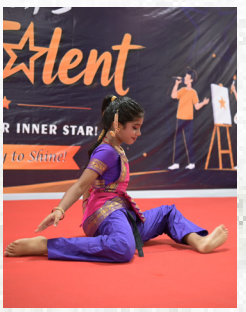

Students celebrated Raksha Bandhan with the meaningful theme “Rakhi to Our Protectors.” They handmade Rakhis for those who keep us safe and created a “My Protector” Tree, recognising the everyday heroes whose care and service often go unnoticed.

VIVITSA GOT TALENT (24–27 August)

EVERY TALENT HAD ITS MOMENT

The stage came alive with music, dance and a wonderful variety of creative performances. More than showcasing talent, the event gave students a chance to express themselves, overcome stage fear and experience the joy of being seen and celebrated.

A LITTLE ACT OF KINDNESS

WOW Moment | Learning in Action

When Sai's sock became uncomfortable, her friend Garima noticed and helped her fix it. A small moment, but a beautiful reminder that empathy often shows up in the simplest acts of caring for one another.

Did you Know ?

TABLES BEFORE THE DAY BEGINS

At Vivitsa, multiplication tables are part of our morning assembly. Group practice makes learning engaging while stage recitation builds memory, teamwork and confidence, helping students begin their day by learning together.
