SAAR

A Monthly Newsletter

JULY 2026

www.vivitsaworldschool.org

Principal's Desk

Dear Students, Parents, and Staff,

The month of July was filled with learning, participation, and growth across all grades. Our students took part in a variety of classroom activities that made learning enjoyable and meaningful. It was also the time for the CFU (Check for Understanding) assessments, where students had the opportunity to show their learning and progress.

Throughout the month, learners across all grades actively participated in a wide range of classroom activities, hands-on learning experiences, creative projects, competitions, and collaborative engagements. These activities not only strengthened academic understanding but also nurtured creativity, teamwork, confidence, and critical thinking.

July also brought several days of heavy rain. Despite the challenging weather, our students, teachers, and parents showed great commitment and ensured that learning continued smoothly. I sincerely appreciate everyone's cooperation and dedication during these rainy days.

As we step into a new month, let us carry forward the same spirit of curiosity and determination. Together, we will continue to create meaningful learning experiences that inspire every child to grow and succeed.

Thank you for your continued support and partnership in making our school a place of joyful learning.

Warm regards,

Mr. Mhondamo Lotha

Principal

Vivitsa World School

WHAT DID WE BREW THIS MONTH

MATHS WEEK (6th - 10th July)

The Joy of Learning Mathematics

Maths came alive at Vivitsa through Fun with Maths booklets, puzzles, number stories, balancing blocks, STEM challenges, rhythm and movement games, races, shapes, and clay modelling. Students also shared their own reflections, making Maths feel less like formulas and more like discovery.

FLAME FREE FOOD FIESTA, JS & MS (11th July)

Young Chefs in Action

Students cooked flame-free dishes and presented them to judges, explaining ingredients and process. A fun, confidence-building event that taught the value of healthy, no-cook recipes.

RATH YATRA (15th July)

Embracing Culture Through Rath Yatra

Students marked the festival with public speaking, devotional songs, and dance, followed by a puja and the joyful pulling of the decorated Rath. The day ended with prasad, leaving everyone with a deeper sense of tradition.

FRIENDSHIP DAY FIELD TRIP
(31st July)

Friendship Beyond School Walls

Junior School students visited a nearby school, exchanging friendship bands and bonding over shared activities, building new friendships and social skills along the way.

No Screen Day

Unplug, Explore & Create

Students swapped screens for a day of art, reading, games, and hands on learning, discovering how much fun happens offline.

Munch Time

Midday Magic Smiles

Munch Time is where students relax, laugh, and bond over meals, the small moments that make school days special.

Logiqids

Champs of the Fortnight

Through LogiQids Think Sheets, students sharpen logical reasoning and AI thinking skills, earning XP for each challenge. The Champ of the Fortnight badge honours consistent effort and outstanding performance.

Friendship Day

Celebrating the Joy of Friendship

A special assembly featured a Krishna Sudama skit on true friendship, followed by student speeches. Junior School enjoyed a field trip while Middle School played Friendship Bingo, together capturing a day built on trust and kindness.

STORIES OF VIVITSA

Moments of pride

Manvik Agrawal (Grade 5), SIP Abacus Achievement

Manvik secured 1st Runner Up at the SIP Abacus Centre Prodigy competition, felicitated at Tapaswini Hall. A proud reflection of his dedication and sharp mental arithmetic skills. Congratulations, Manvik!

Saishree Bag (Grade 5), Drawing Competition

Saishree won 3rd Prize in a prestigious Drawing Competition, honoured with a trophy and certificate at the award ceremony. Her creativity and passion for art shone through. Congratulations, Saishree!

Vardhan Agarwalla (Grade 3), Abacus Achievement

Vardhan scored a perfect 100/100 at Level M13, earning Gold in the Smart Learn Abacus Assessment, and was honoured with a trophy and certificate. A wonderful reflection of his focus and hard work. Congratulations, Vardhan!

STORIES OF VIVITSA

Moments of pride

Anayka Purohit and Ravya Beriwal, Dancing to Success

Our young dancers won First and Second Prize at UDAAN, the 3rd Mahanadi Dance Festival 2026, showcasing grace, discipline, and passion for dance. Congratulations to both, and to their mentors!

Kashvi Jalan (Grade 3 Beta), Recipe for Success

Kashvi was crowned Winner of Junior Master Chef Sambalpur 2026, impressing judges with her culinary skill and confidence. She was honoured with a winner's trophy at the ceremony. Congratulations, Kashvi!
