Principal's Desk

Dear Students, Parents, and Staff,

Summer break is one of those things children need more than we sometimes realise. A few weeks away from routines and timetables, where they can be a little bored, a little curious, and mostly just themselves. That kind of unstructured time does something for children that a classroom cannot always do.

To stay a bit connected through the break, we ran a small series called The Long Days. Just simple prompts sent out through the summer: share a line from a book you are reading, tell us about a new hobby, a small moment from your day. Nothing more than that. What came back was full of warmth, photos of children reading, trying new things, discovering small joys on their own time.

We reopened on the 23rd of June, and honestly, we already felt caught up. Through those little updates all summer, we had already seen the growing, the changing, the small steps forward, long before the children walked back through our gates.

Wishing everyone a wonderful year ahead.

Warm regards,

Mr. Mhondamo Lotha

Principal

Vivitsa World School

WHAT DID WE BREW THIS MONTH

Peer Learning (3rd – 9th May)

Learning, growing, together

With students away for the break, our teachers turned inward, looking back at the year that had just gone by and learning from each other. Through training sessions and open conversations, experiences were shared, ideas exchanged, and a few honest lessons learned along the way. Because growth is not something we only expect from our students. Teachers need room to learn too, and this was time well spent doing exactly that.

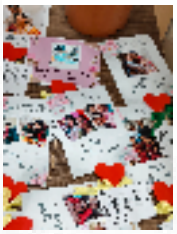

MOTHER'S DAY (10th May)

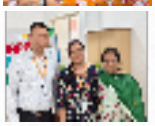

Honouring Our Everyday Heroes

Mother's Day was celebrated through heartfelt video messages from the children of our teachers, expressing their love and gratitude for their mothers. These special messages beautifully reflected the unique bond between a mother and child. The initiative honoured motherhood and the invaluable role mothers play in nurturing and inspiring young lives.

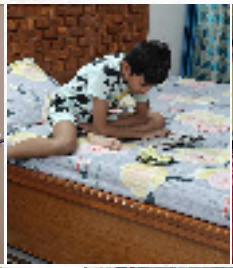

NATIONAL READING DAY (19th June)

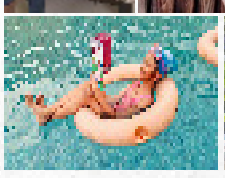

Books Beyond the Classroom

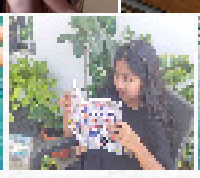

As National Reading Day fell during the Summer Vacation, parents were encouraged to spend quality reading time with their children at home. Children explored books of their choice while parents shared photographs of these reading moments with the school. The initiative promoted a love for reading, learning, and meaningful family bonding.

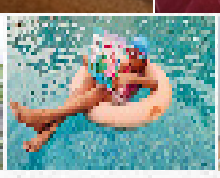

YOGA DAY AND FATHER'S DAY
(21st June)

Stronger Together

Celebrated during the Summer Vacation, parents were encouraged to practise simple yoga poses with their children at home and share photographs with the school. The activity promoted physical well-being, mindfulness, and quality family time. It beautifully captured the spirit of togetherness while celebrating International Yoga Day and Father's Day.

WELCOME BACK TO SCHOOL
(23rd June)

Campus Comes Alive Again

Students returned to school after the summer break with excitement and were welcomed through an energetic Zumba session, engaging classroom interactions, and surprise activities. They enthusiastically shared their holiday memories and experiences with friends and teachers. The joyful day rekindled friendships and marked the beginning of a new academic year filled with aspirations and possibilities.

SPELLBEE Certificate Distribution

Honouring Our Spell Bee Champions

From learning new words to conquering new challenges, our Spell Bee Level 4 achievers showcased what determination can accomplish. We proudly celebrated their success and their commitment to continuous growth.

STORIES OF VIVITSA

SOF Certificate Distribution

From Vivitsa to the World Stage

At Vivitsa, we believe big dreams begin with a love for learning. Manvik Goel exemplified this spirit by securing International Rank 2 and Zonal Rank 2 in the SOF Mathematics Olympiad, along with the International Silver Medal and a cash prize of ₹1,000.

Excelling Across Disciplines

Curiosity and commitment pave the way for excellence. Sriyanshi Pani achieved International Rank 18 and Zonal Rank 10 in the SOF Computer Science Olympiad, earning a cash prize of ₹500, and secured International Rank 26 and Zonal Rank 16 in the SOF General Knowledge Olympiad.

Turning Scientific Curiosity into Success

A growth mindset turns questions into achievements. Demonstrating this spirit, Akshit Patel secured International Rank 32 and Zonal Rank 25 in the SOF Science Olympiad, making the Vivitsa community proud.
